Students Re-enrolling

FIRST NAME	LAST NAME	Grade (entering)	Cross-enrolling* with Pathways?	Aboriginal Ancestry (Inuit, Metis, Non-Status, Status (If 'Status' indicate on- OR off-reserve and band)

To add a **new Gr. K** or a sibling who was not enrolled with Pathways in the previous year, complete an '[Additional Student Application](#)'.

*What is cross-enrolling?

***IMPORTANT:** A student is considered cross-enrolled with Pathways if they are only taking a few courses with Pathways and most of their courses at another school. If so, check the 'cross-enrolled' box in the section above. It is important to know, because Pathways is required to provide the main school with final marks for courses taken with Pathways. This step ensures that courses completed at Pathways are entered on the student's transcript.

Main School (if not Pathways): _____ City: _____

If Pathways is your main school, do not select 'cross-enroll' in the section above. If one of your children takes an additional course at another school, at any point during the year, please inform your teacher. Pathways needs to request final marks directly from that school, or the course may not be included on their transcript.

School Policies

Pathways Academy policies can be found on the homepage of the school website in the 'About' menu.

Third-Party Services: Families are encouraged to make use of third-party services for educational opportunities that teachers and/or parents are unable to provide (eg. swimming lessons, art classes, etc.). Parents are required to collaborate with their teacher to ensure the service meets a specific need in the Student Learning Plan. Parents are also required to connect the service provider with Pathways Academy and ensure the school receives an invoice. All invoices and payments must be paid directly by Pathways Academy. Parents cannot be reimbursed for payments made with personal funds. All third-party service providers must have a current Criminal Record Check in place prior to submitting invoices. The service provider is also required to provide a business number (or social insurance number if a business number does not exist).

Learner Safety and Health: As an online school community, Pathways Academy does not have physical brick-and-mortar school premises. Student life occurs under the direct supervision of the parent or guardian. Therefore, when students are at third-party locations, it is the responsibility of the parent or guardian to evaluate that location for any safety or health risks and to supervise their child's behavior.

I/We know where to locate Pathways Academy Policies, and I have read and understand the policy information in this section.
