School Policies

Pathways Academy policies can be found on the homepage of the school website in the 'About' menu.

Third-Party Services: Families are encouraged to make use of third-party services for educational opportunities that teachers and/or parents are unable to provide (e.g. swimming lessons, art classes, etc.). Parents are required to collaborate with their teacher to ensure the service meets a specific need in the Student Learning Plan. Parents are also required to connect the service provider with Pathways Academy and ensure the school receives an invoice. All invoices and payments must be paid directly by Pathways Academy. Parents cannot be reimbursed for payments made with personal funds. All third-party service providers must have a current Criminal Record Check in place prior to submitting invoices. The service provider is also required to provide a business number (or social insurance number if a business number does not exist).

Learner Safety and Health: As an online school community, Pathways Academy does not have physical brick-and-mortar school premises. Student life occurs under the direct supervision of the parent or guardian. Therefore, when students are at third-party locations, it is the responsibility of the parent or guardian to evaluate that location for any safety or health risks and to supervise their child's behavior.

I/We know where to locate Pathways Academy Policies, and I have read and understand the policy information in this section.

What is cross-enrolling?

A student is considered cross-enrolled with Pathways if they are taking **only a few courses with Pathways and most of their courses at another school**. If so, enter the name of their main school in the Student Info below. This is their 'School of Record'. It is important to know, because Pathways is required to provide the main school with final marks for courses taken with Pathways. This step ensures that courses completed at Pathways are entered on the student's transcript.

Note: If Pathways Academy is the only school, **leave the cross-enrolled info blank** in the Student info below. If your child(ren) take an additional course at another school, at any point during the school year, please inform your teacher or our office. Pathways needs to request final marks directly from that school, or the course may not be included on their transcript.
